HANNOVER 2026
24-27 JUNE GERMANY

9th World Bronchiectasis Conference, taking place on 24–27 June 2026 in Hannover, Germany.

Ten years after hosting the inaugural conference in 2016, we are excited to return to **where it all began.**

This year's conference promises to be an extraordinary **gathering of leading experts**, rising stars and dedicated professionals from across the globe, united in our mission to **advance bronchiectasis research and care.**

WBC 2026 will feature **cutting-edge translational research, innovative clinical trials and comprehensive tracks** covering everything **from basic science to patient experiences.**

Together, we will continue to advance bronchiectasis research and improve patient care worldwide.
